CAREER OBJECTIVE

A third-year BS Information Technology student at the University of the Immaculate Conception with a strong foundation in software development, graphic design, and digital media production. Eager to apply technical and creative skills in a professional setting, contributing to innovative projects through hands-on experience in project management, UI/UX design, and content creation while continuing to grow as a well-rounded IT professional.

EXPERIENCE

Pubmat Head & Graphic Designer
UIC-CCS · 2024–2025 · UIC-CCS SITES Academic Club · 2025-Present

Designed and produced official promotional materials, event graphics, and digital publications for two college-level organizations simultaneously.

Project Manager — ORBIT: Integrated Library Facility Booking Management System
UIC — System Analysis & Design / Software Engineering · 2024–2025

Oversaw project timelines, coordinated team deliverables, and ensured system requirements were met across all development phases from planning to deployment.

Project Manager — E-nfo Hub: A Mobile Application for E-Waste Awareness, Responsible Disposal, and Gamified Learning
UIC — Mobile Applications Development · 2024–2025

Led project planning and team coordination for E-nfo Hub, a mobile app promoting e-waste awareness through gamified learning. Managed task delegation, tracked milestones, and coordinated communication from ideation to deployment.

Short Film Editor & Production Designer — PSITS Region 11 Short Film Festival
Philippine Society of IT Students — Region 11 · 2023–2026

Served as one of the film editors and production designers for three consecutive years representing UIC, contributing to award-winning entries including a 1st Runner Up finish and Best Soundtrack win in 2023.

Resource Speaker — Canva Fundamentals, DIGISKWELA
UIC NSTP — Doña Pilar L. Marfori Elementary School · 2024

Facilitated a digital literacy session on Canva fundamentals for Grade 5 students as part of a community outreach initiative.

Content Creator & Mashup Artist
YouTube · Independent · 2018 - Present

Produced and published original music mashups and remixes independently, accumulating millions of views and building a sustained online creative portfolio spanning over six years.
